# summer haiku

---

A haiku is a traditional poem that contains 17 syllables--the first line with 5 syllables, the second line with 7 syllables, and the third line with 5 syllables. It does not need to rhyme, and often has to do with nature or the seasons. Write your own haiku about summer!

---

---

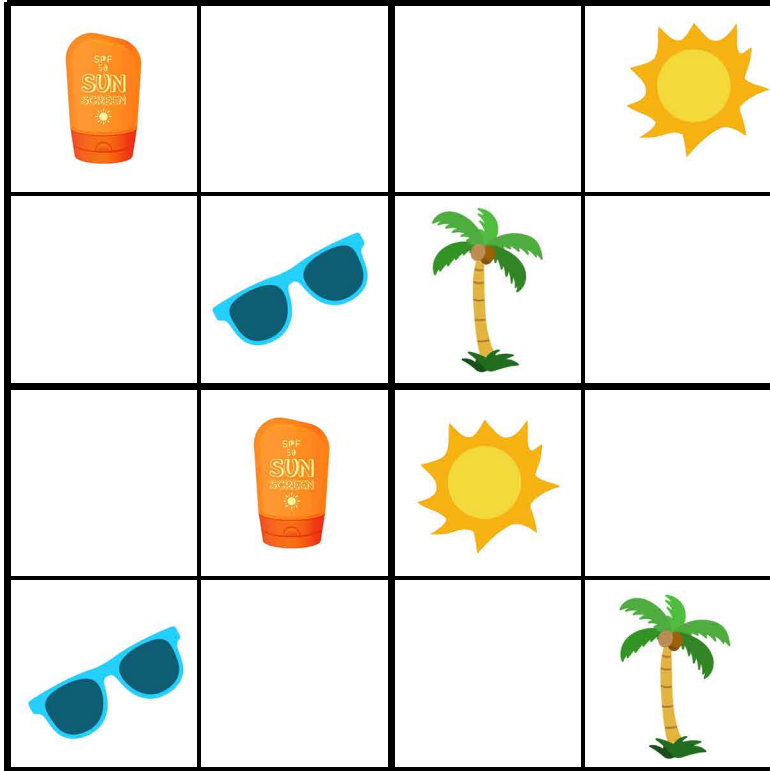

---

example:

summer came too soon  
too hot for your daydreaming  
stay inside with me

by Lara De Ann

# summer sudoku

Cut out the images and place them in the grid.

Sudoku is a number puzzle where the objective is to fill each grid with the correct numbers (or images) so that each column, each row, and each box contains all the numbers (or images) once. Traditional Sudoku uses a 9 x 9 grid, but these are simplified 4 x 4 grids.
